SOURCE: 60 FR 35682, July 10, 1995, unless otherwise noted.

§ 263.300 Scope.

The rules and procedures set forth in this subpart apply to State member banks that are subject to the provisions of section 39 of the Federal Deposit Insurance Act (section 39) (12 U.S.C. 1831p–1).

§ 263.301 Purpose.

Section 39 of the FDI Act requires the Board to establish safety and soundness standards. Pursuant to section 39, a bank may be required to submit a compliance plan if it is not in compliance with a safety and soundness standard established by guideline under section 39(a) or (b). An enforceable order under section 8 may be issued if, after being notified that it is in violation of a safety and soundness standard established under section 39, the bank fails to submit an acceptable compliance plan or fails in any material respect to implement an accepted plan. This subpart establishes procedures for requiring submission of a compliance plan and issuing an enforceable order pursuant to section 39.

§ 263.302 Determination and notification of failure to meet safety and soundness standard and request for compliance plan.

(a) *Determination.* The Board may, based upon an examination, inspection, or any other information that becomes available to the Board, determine that a bank has failed to satisfy the safety and soundness standards contained in the Interagency Guidelines Establishing Standards for Safety and Soundness or the Interagency Guidelines Establishing Standards for Safeguarding Customer Information, set forth in appendices D–1 and D–2 to part 208 of this chapter, respectively.

(b) *Request for compliance plan.* If the Board determines that a State member bank has failed a safety and soundness standard pursuant to paragraph (a) of this section, the Board may request, by letter or through a report of examination, the submission of a compliance plan, and the bank shall be deemed to have notice of the request three days after mailing of the letter by the Board

or delivery of the report of examination.

§ 263.303 Filing of safety and soundness compliance plan.

(a) *Schedule for filing compliance plan*—(1) *In general.* A State member bank shall file a written safety and soundness compliance plan with the Board within 30 days of receiving a request for a compliance plan pursuant to § 263.302(b), unless the Board notifies the bank in writing that the plan is to be filed within a different period.

(2) *Other plans.* If a State member bank is obligated to file, or is currently operating under, a capital restoration plan submitted pursuant to section 38 of the FDI Act (12 U.S.C. 1831o), a cease-and-desist order entered into pursuant to section 8 of the FDI Act, a formal or informal agreement, or a response to a report of examination or report of inspection, it may, with the permission of the Board, submit a compliance plan under this section as part of that plan, order, agreement, or response, subject to the deadline provided in paragraph (a)(1) of this section.

(b) *Contents of plan.* The compliance plan shall include a description of the steps the State member bank will take to correct the deficiency and the time within which those steps will be taken.

(c) *Review of safety and soundness compliance plans.* Within 30 days after receiving a safety and soundness compliance plan under this subpart, the Board shall provide written notice to the bank of whether the plan has been approved or seek additional information from the bank regarding the plan. The Board may extend the time within which notice regarding approval of a plan will be provided.

(d) *Failure to submit or implement a compliance plan.* (1) *Supervisory actions.* If a State member bank fails to submit an acceptable plan within the time specified by the Board or fails in any material respect to implement a compliance plan, then the Board shall, by order, require the bank to correct the deficiency and may take further actions provided in section 39(e)(2)(B).

Pursuant to section 39(e)(3), the Board may be required to take certain actions if the bank commenced operations or experienced a change in control within the previous 24-month period, or the bank experienced extraordinary growth during the previous 18-month period.

(2) *Extraordinary growth.* For purposes of paragraph (d)(1) of this section, *extraordinary growth* means an increase in assets of more than 7.5 percent during any quarter within the 18-month period preceding the issuance of a request for submission of a compliance plan, by a bank that is not well capitalized for purposes of section 38 of the FDI Act. For purposes of calculating an increase in assets, assets acquired through merger or acquisition approved pursuant to the Bank Merger Act (12 U.S.C. 1828(c)) will be excluded.

(e) *Amendment of compliance plan.* A State member bank that has filed an approved compliance plan may, after prior written notice to and approval by the Board, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the bank shall implement the compliance plan as previously approved.

§ 263.304 Issuance of orders to correct deficiencies and to take or refrain from taking other actions.

(a) *Notice of intent to issue order*—(1) *In general.* The Board shall provide a bank prior written notice of the Board's intention to issue an order requiring the bank to correct a safety and soundness deficiency or to take or refrain from taking other actions pursuant to section 39 of the FDI Act. The bank shall have such time to respond to a proposed order as provided by the Board under paragraph (c) of this section.

(2) *Immediate issuance of final order.* If the Board finds it necessary in order to carry out the purposes of section 39 of the FDI Act, the Board may, without providing the notice prescribed in paragraph (a)(1) of this section, issue an order requiring a bank immediately to take actions to correct a safety and soundness deficiency or take or refrain from taking other actions pursuant to section 39.
